

Women & Leadership – Workshops

PETER BARRAKET

People At Their Best have recently been working with a number of organisations to develop and promote their female leaders. The research is clear – companies with the highest representation of women in the top management team perform better financially than those with a low representation of women. People At Their Best can help organisations to identify and develop talented female staff.

Contact Bree on 0419 386 562 or bree@peopleattheirbest.com.au to discuss how we can help
